

REMARKS

This amendment corrects a typographical error in claim 46. The Examiner noted in the Final Office Action dated November 27, 2002, that "the term 'version' should be 'vision'". Final Office Action, 2. Thus, as the amendment corrects a clear typographical error and reduces the number of issues on appeal, entry of the amendment is requested.

Because this amendment is being filed within the two month window of time established by the filing of the Notice of Appeal, no fee is believed due. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 20-1504 (GIJ.0002US).

Respectfully submitted,

---
